What makes us unique?

We make you unique

Geneva Business School is a leading business school providing cutting-edge, Swiss-quality education on a global scale. GBS is at the forefront of innovative learning methods and is committed to the use of new technologies in and outside the classroom.

You will benefit from personalized mentoring, tailored education and the opportunity to transfer between campuses to enjoy the unique business culture in each diverse location.

Our faculty members are all professionally active, giving an insight into current business trends as well as access to a global professional network.

GBS is uniquely positioned to give you that competitive edge. Our innovative learning methods, professional faculty, international business network and excellent career services combined with personalized student care makes choosing Geneva Business School a very smart decision.

Be informed. Be equipped. Be a leader. Be GBS.
We are proud of our spectacular new campus in the heart of the beautiful Barcelona. Located in a historic modernist building in one of the city’s most prestigious neighborhoods, the campus combines classic Barcelona elegance with state-of-the-art facilities.

Benefit from classrooms that are individually designed to best facilitate the various innovative learning methods we promote, all equipped with the latest technology tools. Enjoy our huge outdoor patio where you can take part in the various student leisure activities we organize, from informal BBQs to fancy black tie events. Alternatively, simply use it to soak up the rays in one of the sunniest cities in Europe.

GBS Barcelona offers the full range of business and finance programs at the Bachelor, Master and Doctorate level.
City

Barcelona is a youthful and vibrant city with a global outlook and an international population. The city is fast becoming recognized as a leader in new technologies, media and start-ups, and hosts some of the world’s most important conferences such as the World Mobile Congress. With such an exciting business culture, world-class facilities and rich history, Barcelona is an excellent choice for any business or finance student. Furthermore, Barcelona has amazing beaches, beautiful weather and fantastic nightlife. The local transport system is cheap and easy to use and you can get from one side of the city to the other very quickly.

Programs

An MBA should not only mean 3 semesters of academic studies; the out-of-classroom experience is essential to building a well-rounded and impressive CV/resume. Our GBS Barcelona staff are passionate about connecting you with our corporate partners for internships and work placement opportunities.

Did you know?

Barcelona has a Mediterranean climate with mild, humid winters and warm, dry summers.
Master of Business Administration (MBA) Major in International Relations

An MBA with a major in International Relations will help you gain a global worldview and understand the forces that are shaping our world today. Graduates can expect to work in a wide range of public and private NGOs, IGOs, the diplomatic service and international organizations.
Become an International Program Manager

International relations and the geopolitical factors affecting them are of the utmost importance when operating in today’s global economic environment. This specialized MBA course has been designed with these issues in mind and will give students a deep understanding of the impact they have on the world today and will equip them to work in any international relations context.
All our Master programs share the same core components outlined below. During our unique registration weeks you will receive specialized guidance for your chosen major. At the end of this journey with GBS you will be ready for the next step in your future career.
