Be informed. Be equipped. Be a leader. Be GBS.
We are proud of our spectacular new campus in the heart of the beautiful Barcelona. Located in a historic modernist building in one of the city's most prestigious neighborhoods, the campus combines classic Barcelona elegance with state-of-the-art facilities.

Benefit from classrooms that are individually designed to best facilitate the various innovative learning methods we promote, all equipped with the latest technology tools. Enjoy our huge outdoor patio where you can take part in the various student leisure activities we organize, from informal BBQs to fancy black tie events. Alternatively, simply use it to soak up the rays in one of the sunniest cities in Europe.
Enjoy an amazing experience

City

Barcelona is a youthful and vibrant city with a global outlook and an international population. The city is fast becoming recognized as a leader in new technologies, media and start-ups, and hosts some of the world’s most important conferences such as the World Mobile Congress. With such an exciting business culture, world-class facilities and rich history, Barcelona is an excellent choice for any business or finance student. Furthermore, Barcelona has amazing beaches, beautiful weather and fantastic nightlife. The local transport system is cheap and easy to use and you can get from one side of the city to the other very quickly.

Programs

An MBA should not only mean 3 semesters of academic studies; the out-of-classroom experience is essential to building a well-rounded and impressive CV/resume. Our GBS Barcelona staff are passionate about connecting you with our corporate partners for internships and work placement opportunities.

Did you know?
Barcelona has a Mediterranean climate with mild, humid winters and warm, dry summers.
Master of Business Administration (MBA) Major in Oil and Gas Management

This program provides in-depth knowledge and practical training relevant to the specialized field of trading in oil and gas on an international scale. Students will learn how to face challenges and make key decisions within the energy industry.

What our students say

Teymur TEYMUROV
Graduate: MBA Major in International Management
Nationality: Azeri
Current Position: Business Operations Manager

“Geneva Business School gave me the self-confidence to move ahead in my career. The great experience at GBS helped me to broaden my financial and management skills, update my professional knowledge and improve my performance.”

Bastien CHABASSEUIL
Graduate: MBA Major in International Finance
Nationality: French
Current Position: Middle Office Manager (Bonds and Equity Derivatives)

“Through my studies at GBS I developed practical skills in finance. The diversity of students helped me to open my mind regarding cultural and educational differences. Professors are highly-qualified and convey theoretical concepts with practical examples.”

Polina LUKASHOVA
Graduate: Master in Business Administration
Nationality: Canadian
Current Position: Relationship Manager

“GBS has given me an opportunity to explore new business concepts and ideas, which will definitely help me in my future career. GBS has also taught me how to learn to overcome obstacles, as well as find creative solutions for problems that arise.”

Vadim BEZBEDOV
Graduate: MBA Major in International Management
Nationality: Russian
Current Position: Regional Director in a Bank

“I was really grateful for the opportunity to study the business administration program at GBS. It was the opportunity to research modern managerial theories with the application of beset practice in business today. Moreover, the business school program provides many psychological insights that were reflected in the modern business cases. Thank you very much to all the faculty and administration members.”
